About Me

I am Krupa Parihar from Achalpur, District Amravati, currently pursuing my B.Tech in Electronics and Telecommunication Engineering at PCCOE, Pune. I am passionate about technology and creativity and enjoy working on projects that combine both. I believe in continuous learning and enjoy exploring new tools, building projects, and improving my skills through practical experience.

Professional Experience

- Built projects using C and Python
- Worked on simulation projects (gravity, planets, black hole)
- Used tools like MATLAB, Arduino, and Proteus
- Developed problem-solving through hands-on learning
- Participated in academic and creative activities

Education

- **B.Tech Electronics & Telecommunication Engineering**
  PCCOE Pune 2024 – Present
- **Rashtriya Junior College**
  11th – 12th
- **City High School**
  7th – 10th
